

Preface

These specifications for the teaching, learning and testing of Swedish as a foreign language were produced within the context of a Socrates project, "SWEDEX", supported by the SOCRATES / LINGUA programme of the European Union, by a consortium of the following organisations:

The International Certificate Conference Frankfurt am Main, Germany
Folkuniversitetet, Sweden, Stockholm, Sweden
Landesverband der Volkshochschulen Niedersachsens eV , Hanover, Germany
Landesverband der Volkshochschulen von Mecklenburg-Vorpommern, Schwerin, Germany
The University of Lodz; Lodz, Poland
The Swedish Institute, Stockholm, Sweden

List of authors and contributors

The following list of contributors gives an indication of the main contributions of the individuals involved in the SWEDEX project. However, we would like to emphasise that the project work was a team effort, and that the project aims and objectives could not have been achieved without the involvement of all.

Project co-ordination:	Anthony Fitzpatrick
